By signing this letter the guest acknowledges; we have advised you Moxon's Beach Club is not responsible for any person/s who take taxis or tours from Moxons, on the road or water from our property, or any referrals gotten from our staff, or when escorted by our staff off duty and off our property in the sea or on land outside our gates.

We are unable to stop guests from going out with many of the venders that pull up by boat or car. We attempt to guide your choice, but at all times we RECOMMEND you reserve your tours with the professional tour companies for which we have brochures available at the front desk. These are the only ones who carry insurance for carrying tourists. All others operate WITH OUT insurance such as; the public and private cars, jet skis, parachuting, snorkeling, swimming is all done at your own risk.

MOXONS Property is built on a cascading slope, which means our property consists mostly of steps.

We do have rails...the step edges are painted to help you see better, so please use the railings and watch where you are stepping.

We have a no children policy on this property.

We will not be responsible for watching the children or any accidents relating to children.

If an exception is made you acknowledge doing so at your own risk. We also reserve the right to ask you to remove the children if they become disruptive to other guests.

Please be careful you are here to enjoy yourself, you are far from home and the type of medical attention you may be used to getting there.

Moxons Beach Club will not be held responsible for any accident associated with any of the aboved mentioned.
